Lateral Lining Partnerships: City of Calgary and Contractors

Bill Boyes, and Lee Dupras

**City of Calgary Service Center Supervisor
City of Calgary Estimator**

ABSTRACT: This paper will describe the consideration given by the City of Calgary to enter into a partnership arrangement with 2 service lateral lining companies rather than purchase our own Lining equipment. Benefits to the City as well as the tax payers, procedures to deal with replacement of laterals on both City and Private property, Successes and Failures, Cultural changes for City staff and unions, connections at the main will all be addressed in this paper.
